

Instructions: Fill out this sheet with as much detail as possible by doing online research, consulting professionals, or reading articles about the career. Use the information you gather to better understand the nature of the career.

JOB DESCRIPTION	
Name of Career:	
What are the main tasks associated with this role? (Describe the daily responsibilities and the functions linked to this role in a theatre production.)	
In what type of environment is this role carried out? (Explain where the person mainly works: on stage, backstage, in a workshop, etc.)	
WELL-KNOWN EXAMPLES	
Which well-known people or inspiring figures work in this role?	

EVOLUTION OF THE ROLE	
How has this role evolved over the decades? (Describe the major changes in how this role was carried out in the past — for example, the technologies used, the responsibilities, or its status in society.)	
How have cultural, social, or technological changes influenced this role? (Analyze the impact of technological developments, new social norms, or cultural shifts on this role.)	
How can this career evolve? (Describe possible career paths, promotions, or related roles a person might pursue after gaining experience.)	
SKILLS & EDUCATION	
What natural talents or skills are essential to succeed in this role? (Examples: creativity, collaboration, organization, empathy, writing, problem-solving, technical skills, etc.)	
What educational path is required for this role? (Specify the training or certifications needed. Include relevant schools or programs.)	

TOOLS & TECHNOLOGY	
What tools, software, or technologies are commonly used in this role? (For example: technical tools, design or lighting software, production management platforms.)	
CHALLENGES & BENEFITS	
What are the main challenges of this role? (Describe the difficulties related to the job, such as schedules, stress, etc.)	
What are the benefits or rewarding aspects of this role? (Describe what makes this job fulfilling — for example: creativity, contribution to a production, impact on the audience.)
